Peter – Thanks for your note. I've forwarded your request to folks at the Incident Command Post and spoken to Ed Gilbert directly. They are working on your request and will get back to you regarding access and other details.

Thanks,

Steve

Steve, I left you a voice message and wanted to follow up with an e-mail in case you were not in today.

La Plata County is requesting to take water quality and sediment samples at or near the Gold King Mine Portal. I am working with Leslie Jakoby on scheduling the site visit to collect the samples.

Please let us know how we need to proceed on getting access to the site.

Thank you.

Pete
